25X1 5. [] In the absence of Dr. Roy Bullock and Marian Czarnecki, met briefly with staff assistants of House Foreign Affairs Committee and ascertained that Representative Zablocki will be going on into Poland from Paris on 10 December for the dedication of the Children's Hospital, which was financed, in part, by American funds.

25X1 6. [] Talked with Jim Gehrig, Acting Staff Director, Senate Aeronautical and Space Sciences Committee, giving him some information on the SCRAP missile based on a prepared statement furnished by DD/I.

25X1 7. [] Talked with Mr. William Darden, Senate Armed Services Committee staff, reviewing certain procedures pertaining to releases from the reserve pursuant to the letter to the Bureau of the Budget from Senator Hayden and Representative Mahon. I indicated we had sent forward a letter on reserve items and Mr. Darden will attempt to locate it and put it in the office safe.

25X1 8. [] Talked to Mr. Blandford, House Armed Services Committee staff, asking for his views on possible use of a [] in connection with a Committee report on disinformation. Mr. Blandford was most enthusiastic on this one and we will discuss further when appropriate. 25X1

25X1 9. [] Mr. Randebush, in the office of Senator Tydings, called saying he had a call from [] inquiring as to the status of his application for employment with the Agency. After checking with Personnel, Mr. Randebush was advised that [] will enter on duty on 6 December 1965 as an offset press operator at a GS-7. Personnel had been in touch with [] and the 6 December date had been decided on by [] The Senator's office seemed at a loss to know why [] had called them in view of the above. However, they thanked us for the information.
